

MIAMI BASEL ART FAIR SPECTACLE MAP & INFO

Miami and Miami Beach, Florida from December 4-10, 2007 will bring together in the largest convergence of fine and artists the US has ever seen to play in the sun and party at night. Over 20 art fairs, more than 700 galleries and 1000's of artists from around the world all competing for sales and recognition by the world's biggest collectors and most important curators and museum directors. If you want to play in the art world this is where you need to be.

Here is a map and information to help you navigate the landscape of what Sam Keller of Art | Basel Miami Beach and Alexis Hubshman of Scope Art Fairs helped create over the past 6 years. If you plan to come down this year we advise for you to do your homework first. There is a lot going on and will quite possibly make your head spin if you are not prepared.

Also if there are any major events that we missed and you would like to have them included in this list please contact us at [pam\[at\]perpetualartmachine.com](mailto:pam[at]perpetualartmachine.com).
